

WILL ASK BIDS BY MID-JULY ON 1ST SECTION OF RT. 15 BYPASS

Plans for the Route 15 Gettysburg bypass, which is to cost more than \$11,000,000, are nearing the action stage and bids for the first two-and-a-half-mile section north of the Maryland state line may be asked in June or early July, according to an announcement from the State Department of Highways today.

The next 8.1-mile section, which will take the bypass across the Lincoln Highway east of Gettysburg, is also expected to be ready for bidding by late summer. The design for that section was described as "complete."

The final 6½ miles of the bypass are awaiting the completion of engineering work and plans have not progressed far enough for any tentative date for bidding, the announcement said.

ROUTE "UNCHANGED"

The Highway Department said the route as described at the public hearing here last summer. The statement indicated that the only departures from that plan have been in engineering detail.

The precise position of the Route 15 bypass project was described this way: "The right of way plan is now in the district office of the Highway Department. We expect it in the central office by next week. From there it goes to the governor's desk. After his signature is secured, we will be ready to go ahead on the bidding for the first section."

The \$11,000,000 estimate on the cost of the bypass does not include the right of way costs, the department said. No figures were available on what that figure may be.

U. S. SHARES COST

The bypass is being undertaken under a federal aid program by which the U. S. Government will pay half of the cost.

The northern terminus of the 17.1-mile bypass will be near Heidelsburg and some relocation studies being made there are holding up bidding on that section, a Highway Department spokesman said.

The bidding for the first section—as well as for the others to be advertised later—will be for the complete dual highway. There is no plan to construct half of the dual highway at a time, it was stated.

3 SIGN PLEAS FOR FORGERY

Three youths signed pleas of guilty before Justice of the Peace Robert P. Snyder Thursday afternoon and were placed in jail in default of \$1,000 bail each on charges of forgery and conspiracy arising from a \$42.50 check then sought to cash the check at Kenneth's Market.

Clerks at the market, suspicious of the check, investigated and discovered no such check had been issued. Cpl. Miller was called and took Shiner into custody. Thursday the two others were nabbed.

Lefler had been out of jail five days when he was returned Thursday afternoon. Saturday, in Adams County court, he was sentenced to 15 days in jail on a charge of stealing hubcaps. Since he had been in jail for 15 days awaiting sentence he was immediately released by the court and placed on parole for one year.

IKE GIVES LIFT TO TEXAS COP THIS MORNING

Former President Eisenhower gave a big "assist" to the Republican nominee for Vice President Lyndon B. Johnson's seat in the U. S. Senate, this morning. John G. Tower, Wichita Falls, Texas, called on the former president in mid-morning and the two men conferred for five minutes on politics in general for a TV film to be used in Tower's campaign for election.

The Republican party plans a vigorous campaign in the Lone Star state in an effort to snare another seat for the party in the upper house of Congress.

Former Secretary of Defense Neil H. McElroy arrived at 10 a.m. to call on the former president. He said he wasn't able to attend the meeting of former cabinet members last week because he was in Puerto Rico and this morning's visit was to compensate for last week's absence.

GOING TO WIN'

"Thank you tremendously," Tower told the ex-President. When Eisenhower posed and said, "Let's get a good picture," he drew a hearty laugh from the reporters and photographers.

"It's been good to see you, sir," Tower told the ex-chief executive as he re-entered his office.

"We're going to win," Tower said when asked about his prediction for this year's election. He said their discussion was primarily politics.

Announcement of the meeting was made simultaneously in Washington, Moscow and London.

Lecturers for summer sessions will be Freeman Cleaves, author of "Meade of Gettysburg"; Glenn Tuckey, author of "Hancock in Paris" May 31-June 2, the President will go directly to Vienna.

Korean President Resigns And Military Junta Takes Full Control; 930 Jailed

SEOUL, South Korea (AP)—President Yun Po-sun has resigned, a presidential secretary announced today. The development was reported as military rule prevailed again in South Korea for the first time since Syngman Rhee was ousted last year.

A statement issued to newsmen over Yun's name said "I regret that I made so little contribution to the nation that a military revolution occurred."

Yun was the only constitutional official left in office after a military coup this week seized power and forced the resignation of Premier John M. Chang.

CONFIRM RESIGNATION

Yun's resignation, which was confirmed by spokesmen reached by telephone at the presidential palace, followed by one day Premier Chang's capitulation and resignation.

Under the South Korean form of government, the premier exercised the real ruling power and the president was a figurehead chief of state.

In a Korean crisis such as this week's uprising, it is traditional

for the leading figures to step aside in penance.

The nation's military chiefs had arrested 930 suspected leftists and imposed stringent censorship.

SEEK U. S. SUPPORT

Lt. Gen. Chang Do-young, chief of the military junta that seized power in a 42-hour revolt, expressed confidence that the U. S. government—despite its local representatives' opposition to the nation that a military revolution—will cooperate with us and support us more positively than ever before.

The 36-year-old general, still in combat fatigues, told newsmen those arrested will be "properly dealt with after careful investigation."

The general did not give any names, but most were thought to be Socialists with moderate to extreme left leanings. The Communist party is outlawed in this nation of 23 million and its operation is underground.

UNDER HOUSE ARREST

Chang said deposited Premier John M. Chang and his cabinet ministers were at their homes and under house arrest. They will be

TO REPORT ON RELIEF WORK

Miss Irene Bishop will present first hand reports on the overseas relief and service program of the Mennonite Central Committee at the Fairfield Mennonite Church on Tuesday at 7:30 p.m. Miss Bishop recently returned from an extended tour of service with Mennonite Central Committee as overseas director in Austria. Mr. and Mrs. Earl Shutt, the latter the former Miss Joyce Musselman of Orrtanna, served with Miss Bishop in Vienna.

Miss Bishop is a veteran of 15 years of overseas duty with MCC. During this period her duties called her to serve in Holland, Germany and Austria, taking major responsibilities for emergency feeding and clothing distributions and work with refugee migration to freedom. In recent years her assignment included helping to send clothing and food packages to needy persons behind the iron curtain. A trip to Poland in 1960 to verify the success of

these parcel shipments was one of her recent assignments.

The Mennonite Central Committee is one of several voluntary relief agencies serving the churches of U.S.A. in the overseas distribution of food, clothes and medical care to refugees, victims of disaster and those fleeing from political oppression. Support for the overseas mission of the MCC comes from Mennonite congregations in the U.S.A. and Canada.

\$22,000 Loss As Bus Burns;

Get Passengers Off: A Philadelphia-bound Greyhound bus which left the Gettysburg terminal at 3:35 p.m. Sunday afternoon caught fire and was almost completely destroyed on the Lincoln highway three miles east of town, with a loss estimated at \$22,000. The bus was valued at \$25,000. Only the frame, running gear and tires remained.

The driver of the bus, John B. Harris, 33, of York, who discovered the fire at the rear end of the bus where the motor is located, calmly pulled off the highway onto the side of the road, got his 30 adult passengers and two small children safely out of the bus, removed all the baggage and fought the flames with the hand extinguisher carried by the bus until they were exhausted.

RECOGNIZE YOUR OWN LUCK

We will never understand luck very well until we recognize that it isn't something that is given away — "without money and without price."

Luck is something that you have to earn as you do your bread.

I have never heard a person spoken of as lucky without smiling to myself. And I have usually said to myself: "Well, I am of the opinion that he is a worker."

For work is in reality the tree that bears the fruit of luck.

Don't waste your time bemoaning your luck. That's why you have none.

Luck, after all, is pretty fairly distributed in this workaday world.

The luckiest men isn't the one who makes the most money or accumulates the greatest fame. Nothing like that. The lucky man is he who has discovered most about himself—and used that knowledge to the highest degree for the benefit of others.

I have a friend who seems to have the ability to make everybody love him. He is an inspiration to me. But, you see, I know the secret! He makes it his business to love other people. And the fact that he has now become famous—and is making much money, is but incidental.

That's the way luck works. Of course, luck doesn't function all the time. Neither does the apple tree, as far as fruit is concerned. A man wouldn't amount to much with a sea of luck to swim in all the time.

The best idea is to forget luck altogether. Just go right on with what you have, and do your work to the best of your ability. Lady Luck won't forget you. She likes people.

Tomorrow Mr. Adams will talk on the subject: "The Highest Art."

for Gettysburg's sewage disposal system, and with William J. Finley, representative of the Federal Works agency, bureau of community facilities, Harrisburg, at the engine house Monday night, borough council voted to employ Mr. Harman to draw plans for a secondary disposal unit here.

The council also voted to instruct its officers to sign and file an application with the Federal Works agency for funds to defray the cost of preparing the plans. The contract with Mr. Harman includes the plans and specifications, estimates of cost and filing of an application with the state sanitary water board. Cost of the plans will be \$1,462.50 and Mr. Harman's estimate of the cost of construction of the secondary unit is \$45,000. He will receive six per cent of the total actual cost if his plans are used.

'Be Calm And Feel Of God's Assurance'

By REV. LENA PARR

Pastor, St. Paul AME Zion Church

MEDITATION

Theme: "Be Still"

Text: Be still, and know that I am God; I will be exalted among the heathen, I will be exalted in the earth. Psalm 46:10.

We are too busy to understand that God is asking us to be just a little more settled, be calm about the problems of life. Our precious Father knew in the beginning when His face moved upon the waters that many nations would make up the world that we see about us. Activity would take its place and works of achievements would make a fast progress in the universe. He calls us to remembrance, to be still.

Everyone is in a great hurry yet it seems that we have not enough time for the days are too short and duty calls our attention. Have we forgotten about the still small voice that speaks within reminding us to keep peace, to meditate, be silent prayerfully,

waiting and watching.

Why are we rising up as brother against brother? Have we forgotten the words of the Master Who calmed the angry sea and caused the billows to cease just by the sound of His voice that even the disciples said one to another, "What manner of man is this that even the winds and the waves obey him?" Just as He controls the winds so can we control our own minds if we allow God to have His way.

In a still small voice we hear God's message which comes silently, creeping in our souls. We listen and by faith we know the soundless words which moves us in every channel. Our hearts bend to the voice, to the song of life we hear. Deep within it cries "BE STILL."

Here alone can true trust be found and rest for the soul. This is the effectual preparation for all who labor for God. The soul will be refreshed and surrounded with an atmosphere of light and peace. The life will breathe out fragrance and will reveal a divine power that will reach the hearts of men who

control the powers of the world.

"UNFAILING HELP"

God is your unfailing help. Be still, and know that He is with you. Be still and feel His assurance. Again He tells us to be still, and know that I am God.

Rest in my love, for I am with you always. When you have found the security of your being you will be renewed in faith and courage. You will find quiet strength coming into your heart and mind. You will know that it is God on Whom you can rely.

Be still, and know God's light

shines for you and through you. We know, for through guidance we bend to as will.

Sometimes it sounds like the voice of wind in the leaves. The whisper of grass as it bends and weaves. The call of a bird when the night is dark. We can catch its music and a prayer catches our heart.

To the song we hear we clasp our hands and reverently bow our heads for the word of God in His still small voice calls to the world unheard but deep within the soul it cries, "BE STILL AND KNOW THAT I AM GOD."

BEHIND THE SIGN

THE CHURCH FOR ALL... ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake, (2) For his children's sake, (3) For the sake of his community and nation, (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

PARISH WOMEN ARE HOSTS TO 75 GRADUATES

Approximately 75 were in attendance at the annual covered dish supper of the St. Aloysius Parish Council of Catholic Women with the graduates of the parochial school and those of the parish who graduate from Dejone Catholic High, Littlestown High and Rolling Acres Elementary and their mothers as guests.

Grace before meals was said by the pastor, the Rev. Dr. John E. Metz, and the meal was cafeteria style.

Following the meal, Miss A. Marie Budde, president of the parish council, welcomed the group and introduced the speaker, the Rev. Thomas F. Lawler, who is assistant pastor at St. Vincent de Paul Church, Hanover. Father Lawler served St. Aloysius Parish during the illness and following the death of the Rev. William A. Boyle, until the appointment of the present pastor.

Father Lawler stressed "Diligence." He said "Cultivate the most important thing of all, the love of God, and if you love God, you will also love your neighbor, thereby developing within your life the virtues of faith, hope and charity, which are so lacking in the world today, especially the virtue of charity."

GIFTS FOR GRADS

The graduates received small gift remembrances from the council and each mother an imitation carnation corsage. Centerpieces were construction paper caps and gowns. A shrine in honor of the Blessed Mother was arranged on the stage in the parish hall, where the entertainment was held.

A business meeting was held with the president in charge. Mrs. Francis Prato was acting secretary-treasurer, enumerated the profits on the various projects recently sponsored by the council. The national president's message was read by Mrs. John L. Redding, vice president.

Mrs. Elizabeth Zepp, the national president, recommended that individuals plan to attend one of the National Council institutes being held in June.

GET CONVENTION REPORT

Miss Budde read a communication from Miss Anna Rehm, president of the Harrisburg Diocesan Council of Catholic Women, which noted that all parish and deanery officers and committee chairmen should be named and sent to the diocesan board by June 1.

Mrs. Z. W. Sanders, president-elect, who with Mrs. Bernard M. Selby, was a parish delegate to the diocesan council convention in April, spoke briefly concerning the convention proceedings. Of special interest was the fact that of the 23,460 pieces of used clothing collected from the 102 parishes of the diocese, 1,047 came from St. Aloysius; and of the \$13,153 presented to the bishop for his Diocesan Needs Fund, \$1,900, came from the Conewago Deanery and \$140 from St. Aloysius Parish Council. The special convention project of taking an infant's garment to the convention instead of having exhibits this year resulted in the accumulation of 1,000 garments. The Conewago Deanery served a total of 3,179 hours in social action activities, the highest in the diocese. In addition to the delegates and the pastor, 12 members of the parish council attended the convention banquet.

The council voted \$25 to the Seminary Fund and \$5 to the Cancer Fund and \$5 for planting flowers in the window boxes at the convent. Mrs. Noah C. Snyder reported for the hospitality committee.

PLEDGE \$2,500

Plans were furthered for the sponsoring of a refreshment stand at the Isaac Keeler public sale on Saturday. Members who will assist include Mrs. B. M. Jones, Mrs. Urban Beford, Mrs. Donald Beford, Mrs. Catherine Cochran, Mrs. Harry W. Stavely Sr., Mrs. Bernard M. Selby, Miss Budde and other volunteers. Anyone desiring to make candy cakes or pies may leave them at the home of one of this committee before 12 noon on Saturday, or take them to the sale at the edge of town on S. Queen St.

A lengthy discussion was held on the amount which the council should pledge toward the parish

plant renewal program and the memorial to be selected. It was voted to contribute \$2,500 to the program with the Shrine of the Blessed Virgin as the memorial; to pay \$500 now and the remaining \$2,000 over a 40-month period. The pastor spoke briefly, expressing gratitude for the "magnificent" sum pledged and admonishing the women to continue to pray daily for the success of the campaign.

The officers elected at the meeting were installed by past president, Miss Anna C. Weaver, and each officer was given as her patroness, the Blessed Mother, under one of her many titles: The president, Mrs. Z. W. Sanders, Our Lady of Humility; vice president, Mrs. Bernard M. YOUNG ACTOR TOO BUSY FOR STEADY GIRL

By CYNTHIA LOWRY

NEW YORK (AP) — Johnny Crawford, 15, the brown-eyed little actor who plays Chuck Conners' son in 'The Rifleman,' is too much too busy even to consider going steady with a girl.

"Going steady is getting to be a stupid thing to do in Los Angeles," Johnny confided. "And I have always thought it was. Why, one of my friends started at 13 going with a girl who was 12, and he kept it up for six months. But he told me later that he was sorry, because life was too short and it was better to play the whole field."

LIKES HIS HORSE

Johnny is much more interested in his horse than in any girl. Besides, he has his work at the studios, his school work and his hobbies to keep him thoroughly occupied.

Johnny lives with his parents—his father is a film editor in a motion picture studio—and his actor-brother and sister in the Hollywood hills. He has been performing since he was 3.

His hobby is collecting old motion-picture films and his personal hero is pioneer Western star William S. Hart.

"Of course, I plan to keep on acting," Johnny said. "But I'd also like to be a producer. Particularly I'd like to produce a documentary film of the Old West, the way it really was. I think the Old West is being destroyed by all the silly Westerns."

ABC's "Wyatt Earp" is winding up its long TV career with a five-part semidocumentary series covering the legendary marshal's long career, including the famous shootout at the O. K. Corral. When the series disappears—this fall—from network TV, it is planned to put the shows together for use as a full-length motion picture.

Income Tax Checks Cause Confusion

BALTIMORE (AP)—The postman not only rang twice, he rang three times, and Mr. and Mrs. Francis E. Scotts hope he doesn't ring again.

In March the Scotts received a refund check from the Internal Revenue Service for \$304.71.

On April 10 they received another. Realizing an error had been made, they returned it. Unfortunately, it somehow got torn, and the IRS sent them another check to "replace the one which was mutilated." Again it was returned.

Then came a bill for \$306.06. The IRS had discovered the duplication and the added amount was for interest.

A phone call to the Baltimore IRS Bureau brought this encouraging advice: "Send the bill directly to us, or your wages will be attached."

CONDITION OF ACTOR SERIOUS AFTER SURGERY

CULVER CITY, Calif. (AP)—Jeff Chandler, who hitchhiked to Hollywood 16 years ago to fulfill a boyhood dream of movie stardom, is in critical condition today after a 7½-hour emergency operation to stop abdominal bleeding.

The graying 42-year-old actor was given multiple blood transfusions Thursday. He will be under close observation at Culver City Hospital at least until Saturday evening, a spokesman said. The surgery followed an operation for a slipped spinal disc suffered while filming "The Ma- rauders" in the Philippine Islands a month ago. The 6-foot 4-inch, 200-pound star was given a series of injections to deaden nerves and lessen pressure while he completed the movie.

He was hospitalized after his return to Hollywood. The actor's father, Philip Grossel, and Chandler's former wife Marjorie waited at the hospital. Several surgeons attended him.

Chandler, a native of Brooklyn, N. Y., served in the Army during World War II. He hitchhiked to Hollywood after his discharge.

He got several radio acting jobs and his movie career was launched after a studio executive heard him in radio thriller.

He achieved movie stardom in 1950 as the Indian chief Cochise in "Broken Arrow." A series of hit films followed.

The handsome actor was divorced a year ago after several separations. He has two daughters, Jamie, 14, and Dana, 11.

FIREMEN FIGHT CHEMICAL FIRE AT BOYERTOWN

BOYERTOWN, Pa. (AP)—Firemen today brought under control a blaze which broke out in a magnesium stockpile at the sprawling Krawecki Chemical Co. plant and for a time threatened to spread to two large ammonia tanks the size of railroad tank cars.

There were no injuries.

The lives of some 75 firemen from several area companies were endangered as they fought to bring the blaze under control when it broke out shortly before midnight.

The fire also threatened 10-ton tanks of the highly volatile ammonia stored nearby. The heat of the fire caused one of the small tanks to explode shortly after the magnesium ignited.

UNDER CONTROL

Boyertown Fire Chief Jack Kline said early today the fire had been brought under control and he believed all danger had passed. He said, however, that the magnesium would burn indefinitely and that firemen would stay on as an extra precautionary measure.

The blaze lighted up the sky with a blaring red which could be seen in Reading and Allentown, as much as 30 miles away.

The blinding glare was noticed almost immediately and simultaneously by Police Chiefs Ernest Schwenk of Cocalicodale Township and Linwood Johnson of Douglass Township who were patrolling nearby areas. They both phoned the Boyertown Emergency Center.

CAUSE NOT KNOWN

Cause of the fire was not immediately determined.

Krawecki engineers were admitted to the scene but they were unable to say immediately what caused the fire or to give a damage estimate.

Kline said the fire first was fought with chemical foam which was quickly used up. Firemen then switched to fog, a fine forced water spray. Pumper drew the water from Swan Creek through thousands of yards of hose.

State police and local officers kept curious spectators at least a quarter of a mile away from the scene of the blaze.

MATERIAL FOR BOMBS

The 3,500-square foot magnesium open area is a stockpile which contains bales and barrels of the inflammable metal used in World War II bombs. It is situated near a foundry in the midst of the 14 buildings which make up the sprawling plant which lies on both sides of county line in Montgomery and Berks Counties. The fire was

BOB MITCHUM'S SON SIGNS A FILM CONTRACT

By BOB THOMAS
AP Movie-TV Writer

HOLLYWOOD (AP) — Watch out — here comes another Mitchum!

This one is Jim, eldest of Bob. One glance confirms the relationship. The same somnolent eyes. The same cleft chin. The same hulking frame. Even a mop of brown hair overhanging the forehead.

The resemblance goes deeper than skin. Both have the famous Mitchum independence.

SIGNS WITH FOX

Jim has been signed to a term contract at 20th Century-Fox. When he showed up for an interview, he was wearing coat and tie. I asked if he was following the edict of talent department head Pamela Danova, who has ordered the young contractors to wear their fancier duds at the studio, instead of the sloppy attire of most newcomers.

"This is the first time I've worn a coat and tie to the studio," Jim said, indicating it might be the last. "I don't feel comfortable all dressed up. I usually wear slacks and a sweater. My clothes are neat, but not fancy."

"I figure they're buying me as a unit. I'm an individual, and if I have any value, it's as myself, not as what somebody wants me to be."

DOESN'T LIKE COACHING

He made it plain he wouldn't be a regular student at the studio drama school either.

"My father said to steer clear of such things," said Jim. "He doesn't believe in too much coaching, and neither do I. I'll use the school as a workshop, but I'm not going to be spending all my time there."

Jim is 20, lives in his own Archie."

BERMUDIAN SCHOOL NEWS

By BARBARA MILLER
AND BARBARA WANTZ

The elementary and high school teachers held a joint dinner meeting in the school cafeteria Thursday evening with representatives from other school districts invited. A. Clair Moser, associate executive secretary of the Pennsylvania State Education Association, spoke on current legislation affecting the school.

On Tuesday the East Berlin elementary teachers held a parent-teacher meeting. The evening was devoted to the installation of officers and a social. The meeting was the last for this school year.

Bermudian Springs will host the Y Club of Adams County today. At 4 p.m. the meeting will open with registration. Dean Steiner of Gettysburg is president of the county council.

A student council meeting was held recently in Room 226. A committee, consisting of Jesse Stoner, Diane Spangler, Betty Rodrock, Cynthia Zepp, Joe Wolf and Tom Hardy, was appointed to be in charge of the election of student council members for next year.

It was also decided that an accumulative grade average of 85 per cent will be required to enter student council.

Wednesday evening the Bermudian Springs High School presented the junior and senior choruses in a choral festival. Donald Golden, conducting. The junior chorus opened the program with Gustafson's "Rolling Hills."

house here. The family lives in Maryland. He has been in and around movie sets all his life, but he never has traveled with the young Hollywood crowd. He has made four films — two quickies, "Bear Generation" and "Girls Town," which he admits were dreadful, and two with his father, "Thunder Road" and the unreleased "The Last Time I Saw

him."

The speculative fever has led stock exchange officials to warn the unwary against buying out of enthusiasm unbased on facts. Brokerage houses sound the same note. The Securities and Exchange Commission is investigating some of the stock deals and practices in the current bull market.

EYE FRB REACTION

And Wall Street always watches the reaction of the Federal Reserve Board to any upsurge in prices and trading, and especially to the buying on borrowed money.

The Federal Reserve can regulate at least part of these credit purchases by changing the official margin rate. In July 1960 the rate was 90 per cent. But stock prices were weak then and the rate was lowered to 70 per cent.

This meant that you had to put up 70 per cent of a stock's price in cash for any new buying on the regulated stock exchanges. You could borrow up to 30 per cent from your broker. If the price should fall you'd have to put up more cash to stay within the 70 per cent margin.

When markets show signs of running away, the Federal Reserve raises the margin to lessen the flow of credit and put buyers on or close to an all-cash basis. When prices are weak and trading dawdles, the margin usually is cut — sometimes in recent years to 50 per cent, but never back to the fractional lows that preceded the 1929 stock crash.

Hodgesen's "Got A Boat," the spiritual "Little Talk with Jesus" and the folk song "Whoa, Mule." A clarinet quartet presented "Alleluia and Chorale" by Palestrina-Mendelssohn and "Ten Little Indians" arranged by Deemer. Members of the quartet were Darlene Wonders, 1st clarinet; Sarah Moore, 2nd; Deborah Hoffman, 3rd, and Judy Ecker, bass clarinet.

The Senior Chorus sang Handel's "Halleluia" and "Amen" choruses, Bach's "O Rejoice, Ye Christians," Loudly, Williams' "Let There Be Music," and Hyatt's "Senorita's Serenade." Accompanying the chorus for the last number were Philip Guise, bongos; Warren Kral, maracas, and Larold Lupp, claves. Judy Ecker then played the saxophone solo "Harlem Nocturne" by Hagen. The Senior Chorus concluded the program with Lambert's "When Johnny Comes Marching Home" and the following selections from Bernstein's "West Side Story": "Tonight," "I Feel Pretty," "One Hand, One Heart," "Maria," and "America." Accompanists were Linda Hinkle, Susan Bricker and Charlotte Leer.

On May 3, there was a banquet held for those students who earned letters in basketball or football. STOCK BUYING UP PRICES TO RECORD HIGHS

By SAM DAWSON
AP Business News Analyst

NEW YORK (AP) — The rush to buy stocks is sending the prices of many to record highs. But the conquering march of the bulls has brought with it some worrisome camp followers.

1. Stock exchange officials and government watchdogs fear too much of the buying is by unwary novices snapping up untried and often questionable stocks.

2. They fret lest too much of the new speculative money in the markets is from borrowed funds. And if the bears should stage a flanking move on the market these on-the-cuff holdings might give way to threaten a rout of the entire list.

Some of the borrowing is from brokers and banks and this can be measured — and it has been growing.

SUSPECT BORROWING

But if the public wants to speculate it can get the money from other sources harder to measure quickly. It can draw on its savings, and there is evidence it has been doing so. The public can raise money for speculation by borrowing on such assets as homes and insurance policies. How much of this has gone into the rush to buy stocks on the exchanges and the over-the-counter market is hard to guess.

The speculative fever has led stock exchange officials to warn the unwary against buying out of enthusiasm unbased on facts. Brokerage houses sound the same note. The Securities and Exchange Commission is investigating some of the stock deals and practices in the current bull market.

EYE FRB REACTION

And Wall Street always watches the reaction of the Federal Reserve Board to any upsurge in prices and trading, and especially to the buying on borrowed money.

The Federal Reserve can regulate at least part of these credit purchases by changing the official margin rate. In July 1960 the rate was 90 per cent. But stock prices were weak then and the rate was lowered to 70 per cent.

This meant that you had to put up 70 per cent of a stock's price in cash for any new buying on the regulated stock exchanges. You could borrow up to 30 per cent from your broker. If the price should fall you'd have to put up more cash to stay within the 70 per cent margin.

When markets show signs of running away, the Federal Reserve raises the margin to lessen the flow of credit and put buyers on or close to an all-cash basis. When prices are weak and trading dawdles, the margin usually is cut — sometimes in recent years to 50 per cent, but never back to the fractional lows that preceded the 1929 stock crash.

The Senior Chorus sang Handel's "Halleluia" and "Amen" choruses, Bach's "O Rejoice, Ye Christians," Loudly, Williams' "Let There Be Music," and Hyatt's "Senorita's Serenade." Accompanying the chorus for the last number were Philip Guise, bongos; Warren Kral, maracas, and Larold Lupp, claves. Judy Ecker then played the saxophone solo "Harlem Nocturne" by Hagen. The Senior Chorus concluded the program with Lambert's "When Johnny Comes Marching Home" and the following selections from Bernstein's "West Side Story": "Tonight," "I Feel Pretty," "One Hand, One Heart," "Maria," and "America." Accompanists were Linda Hinkle, Susan Bricker and Charlotte Leer.

Dog, Who Served Country In South Pacific; Expires

HOLLYWOOD (AP) — A battle-scarred dog — once forgotten by the nation — served valiantly in wartime — died Wednesday in the arms of his sorrowing mistress.

Sarge, a purebred 20-year-old German shepherd, feeble and nearly blind, was believed to be the last surviving dog veteran of World War II.

The dog — his formal name was Major von Luckner III but no one called him that — spent 3½ years with the Marines in the South Pacific. He was credited with helping to save nine American lives by delivering a message under enemy fire.

"He just died on his little bed," said his owner, Jeanne Platt, 59, a retired Army nurse and widow, who lost her son in World War II.

The dog died of uremic poisoning, from which he had suffered 20th birthday anniversary.

Set Speed Mark For Helicopters

WASHINGTON (AP) — The Navy announced today a world speed record for helicopters — 192.9 miles an hour.

The mark, exceeding the former Soviet-held record by a wide margin, was set Wednesday by a Navy twin-turbine Sikorsky helicopter at Bradley Field, Windsor Locks, Conn.

The craft was flown by Cmdr. Patrick L. Sullivan, 37, New York City, pilot, and Lt. Beverly W. Witherspoon, 28, Durham, N.C., copilot.

JOHANNESBURG, South Africa (AP) — The opening here of "The World of Suzie Wong" has been postponed by a Chinese protest that the play is immoral. Five local Chinese girls quit the cast.

The play is the story of a prostitute in Hong Kong. Jockey Johnny Sellers equaled Bill Hartack's 1957 riding record at Hialeah last winter by taking six stakes races.

Here are the facts you need

Starting a new lawn this spring?

1. Don't worry about poor soil. You don't need to go to the trouble and expense of bringing in topsoil. Any soil — even subsoil — can give a satisfying lawn with regular feedings of Scotts protein-building TURF BUILDER®.

2. Don't be taken in by seed "bargains." You want a good lawn, not a hayfield. Cheap mixtures contain wild grasses that will plague you for the life of your lawn. Scotts seed is all good grass, perennial and weed-free.

3. Don't plant the wrong kind of lawn. Be realistic. If you need a lawn that stands up to the punishment of children and weather, choose Scotts PLAY seed. If appearance is paramount, choose Scotts FAMILY® or CLASSIC®.

Ask us about the Scotts guarantee... a better lawn or your money back!

LITTLE LEAGUE PLAYER KILLED

TEMPLE CITY, Calif. (AP)—Jack B. Babcock sat dry-eyed in a house that seemed suddenly empty.

Grieving for his son, the first youngster ever killed in a Little League baseball game, he said: "No one could help this. I don't blame anyone."

"My wife Carolyn (recovering from a heart operation undergone a few weeks ago) doesn't blame anyone."

"We want the Little League to go on. We know it should go on, and we know that's exactly what Barry would want too."

Barry J. Babcock, 9, was the smallest boy in Temple City's Little League team.

But he was a 52-pound, 4-foot-8 tow-headed "tiger," his father said Thursday.

HEART IS CRUSHED

"I called him Tiger," he said. "You know, . . . what you call a kid who gives his whole heart and soul to everything. Barry was like a little tiger when he was competing."

The youngster died Wednesday, moments after being hit in the chest with a pitched ball. His father was in the stands.

"They said at the hospital that his heart was crushed," Babcock said.

But an autopsy failed to disclose cause of death.

The POWER of FAITH by Howard Brodie

"By this shall all men know that ye are my disciples, if ye have love one to another."

Southern ladies inspired Memorial Day when they strewed flowers on the graves of both Union and Confederate dead in 1863, easing the bitterness of the Civil War. Northerners at first glorified Union victory, but their hearts mellowed: "The thought could not but come to us that there were graves lying southward above which bent a grief as tender and sacred as our own. Invisibly we dropped unseen flowers upon these mounds," said Thomas Aldrich. The ceremonies at Gettysburg became a celebration of unity: "The Union has become not merely a physical union of States," Herbert Hoover once said, "but rather a spiritual union in common ideals of our people." Franklin D. Roosevelt said, "It was an inspired prophet of the South who said: 'My brethren, if we know one another, we will love one another' . . . We are all brothers now in a new understanding."

On The House

ANDY LANG
The Associated Press

It's time for a set of house rules, those inevitable resolutions that start out with great promise.

List those odd jobs you've been procrastinating about, and put your determination to work. If you can't do them yourself, get some help. If repairs are done early, it will be easier on the house and your budget. Time has a way of encouraging depletion.

Take an inventory of needed repairs.

A few shingles have blown off the roof? Fix them now before you have major repairs such as ceiling leaks, flashings and other roof renewals.

A couple of pipes are leaking in the cellar, but not bad. You'd better replace the pipes if they can't be repaired or risk a real pipe break, and major flooding. If it happens during a community emergency you'll find plumbers scarce.

CHRISTIANITY GAVE ROOTS TO JEWS' HATRED

IRS Center To Be In Pennsylvania

PITTSBURGH (AP)—Pittsburgh is still in the running as the Pennsylvania site for an Internal Revenue Service center that would automatically process income tax returns, says Mayor Joseph M. Barr.

Barr said Thursday, "I don't want to arouse any false hopes. 'We'll have to leave the decision to federal officials."

Has Christianity—founded by a Jewish savior in a Jewish land and spread by Jewish apostles—fomented the hatred of Jews?

Yes, says Prof. Jules Isaac, an eminent French-Jewish historian, in a book published this week by the National Conference of Christians and Jews.

Although anti-Semitism is a direct contradiction of Christianity, Isaac holds, the Christian church fostered it in past ages and set into motion forces which culminated in the wholesale murder of Jews by the Nazis.

REVERSE RESULT

NEW BLOOMFIELD, Pa. (AP)—The unofficial outcome of one of the closer associate judgeships in Tuesday's primary had to be officially reversed.

The official winner of the Republican nomination for an associate judgeship in Perry County is James J. Billow of Newport, who polled 2,277 votes to 2,213 for incumbent Nelson R. Holland of Duncannon in the official tally.

Earlier, it had been reported that Holland was the winner.

Isaac makes clear that present-day Christian churches are not anti-Semitic, but he says the trend set in former times has had far-reaching effect.

The professor, who lost nearly his whole family in a German concentration camp during World War II, says it is now the duty of Christianity to reverse this trend by purging itself of anti-Semitic relics in its liturgy and teachings.

Isaac has devoted much of his life to reversing what he feels are Christian misconceptions about Judaism and Jews. He has written two books on the subject and, in 1947, submitted 18 points recommending changes in Christian education about the Jews.

WORK IS TRADITION

The current work, "Has Anti-Semitism Roots in Christianity?" is a translation of a lecture delivered by Isaac in France. Accompanying it are an introduction by Richard Cardinal Cushing, archbishop of Boston, and a critical analysis by a Protestant theologian, writer and educator, Dr. Bernhard E. Olson.

True anti-Semitism, Isaac contends, began with Christianity and

ended with Christianity and

the law."

JEW KILLERS FOLLOWED ON ARMY'S HEELS

By THOMAS A. REEDY

JERUSALEM, Israel (AP)—Adolf Eichmann's commandos were geared to move at such lightning speed that they cracked down on Yugoslavia's Jews only two days after the German armies rolled in, a witness at Eichmann's trial testified today.

Alexander Arnon, 63, former Jewish leader in Croatia, testified that the German tanks smashed into Zagreb April 9, 1941, "at 3 o'clock in the afternoon."

"At five o'clock Croatian independence was declared under martial law," he continued.

"On April 11, the Gestapo came to the Jewish community, seized all the money and placed everyone under arrest."

50,000 JEWS CAUGHT

Anti-Jewish measures ensued with rapidity until most of Yugoslavia's 75,000 Jews were caught in one net or another.

His testimony together with that of another survivor, Dr. Hincko Salz, 55, was presented to depict events in Yugoslavia rather than the defendant charged with directing the extermination of Europe's Jewry in World War II.

The lineup was provided in documents offered by Dep. Atty. Gen. Yaakov Bar'or. These Nazis files showed the German Embassy in occupied Yugoslavia prodded Berlin for help in deporting Jews and Eichmann himself was sent there to speed things up.

FAVOR DOZERS FOR CAPTIVES

MIAMI, Fla. (AP)—Cuban exiles today favored taking up Fidel Castro's offer to free invasion captives for 500 American bulldozers, but they differed on who should do it.

An anti-Castro schoolteachers organization pledged \$800—\$1 for each member—Thursday toward buying the bulldozers. It scheduled a Saturday meeting to form a prisoners exchange committee.

The Revolutionary Schoolteachers Directorate said, "We accept Fidel Castro's challenge, but it will not be President Kennedy but the people of Cuba who will send the bulldozers."

A Cuban editor in exile had a different reaction.

URGES ACCEPTANCE

Sergio Carbo, editor of Prensa Libre, said the United States should take up Castro's offer at once.

"All free citizens of the Americas have faith that Mr. Kennedy will take Castro's offer into consideration without delay," Carbo said.

Cuba holds about 1,000 men, mostly Cuban exiles, captured in the abortive April 17 invasion.

Equipment dealers say 500 bulldozers would cost \$6 million to \$7 million, depending on the model chosen.

TAKES OATH MONDAY

HARRISBURG (AP)—U.S. Representative-elect John C. Kunkel is to be installed in his new post at noon Monday in Washington, Republican State Headquarters announced Thursday.

The former six-term congressman defeated Democrat Kathryn Zimmerman Vanderslice in a special election Tuesday to fill the 16th Congressional District seat left vacant by the death of Rep. Walter M. Mumma earlier this year.

Equipment dealers say 500 bulldozers would cost \$6 million to \$7 million, depending on the model chosen.

ADVERTISE IN THE TIMES

100 Years Ago This Week...in

THE CIVIL WAR

(Events exactly 100 years ago this week that led to the Civil War—told in the language and style of today.)

Devastation

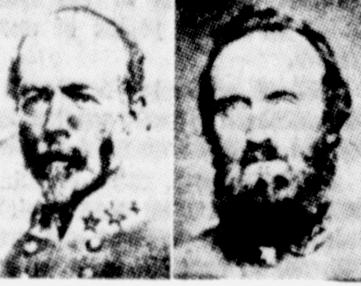

NORFOLK, Va., May 21—Damage to the Union Navy yard here, destroyed by Union defenders April 20 in the face of a Confederate onslaught, has been officially estimated at \$30,000,000. Shown above is today's scene of the once-mighty, once-Union facility.

Johnston Takes Over At Harper's Ferry

HARPERS FERRY, Va., May 23—Brig. Gen. Joseph E. Johnston today assumed command of the 8,000 Confederate troops here.

He relieved Col. Thomas J. Jackson and immediately assigned Jackson to command of all troops on the scene from Virginia.

Jackson arrived here recently to shape up units that assembled after the South's victory a month ago in capturing the Union arsenal at Harper's Ferry.

JOHNSTON JACKSON

in the Union force.

"JOE" JOHNSTON was graduated from West Point in 1829—as Joseph Eggleston Johnston—and served with the Union army for eight years before resigning to become a civil engineer.

He rejoined the army to fight in the Mexican war, and only a year ago held the key post of quartermaster-general.

Confederates Move To Richmond, Va.

MONTGOMERY, Ala., May 21—The provisional Confederate government moved today.

President Davis and his cabinet began the trek to Richmond, Va., which will be the new capital of the South.

The Confederacy has been headquartered here since Feb. 4, when leaders of six of the "slave states" met in a provisional Confederate Congress.

subject to severe punishment, he said, "if any serious crimes by them are uncovered."

Chang said he based his forecast of good relations between the U.S. government and his regime on the fact that "our armed forces... have had closer relations with U.S. authorities than any other Korean agency."

In Washington, Undersecretary of State Chester Bowles said the United States can hardly cheer at the upsetting of a constitutional government but that he thought the new regime would be recognized.

A spokesman for the U.S. operation mission, which this year will dispense some \$200 million in aid to South Korea, said work was resumed Thursday on all projects on the planning boards or under construction.

As censorship was broadened, Korean radio stations were ordered to quit relaying the Voice of America's twice-a-day news programs in the Korean language. The object was to keep any criticism of the military government from the people.

CENSOR NEWSPAPERS

Newspapers were carefully checked by censors. Anything critical of the army revolt was deleted from both local stories and dispatches from overseas. The papers also were ordered to quit publishing blank or scarred spaces to indicate censored matter.

Guards openly threatened local and foreign cameramen with loss of their film if they took photographs without permission.

Competent sources said 10 newsmen were under arrest. Publishers of Seoul dailies met and decided to appeal to the junta to relax censorship and prevent mistreatment of newsmen by troops.

CENSOR PHOTOGRAPHS

Foreign correspondents so far were able to file outgoing dispatches without interference, but photo shipments were censored.

Two generals who disagreed with the rebel junta—Lt. Gens. Lee Han-jim and Kang Yong-hoon—were reported arrested.

Lee, commander of the huge 1st Field Army, had first told his troops to stay neutral toward the coup. Later, Seoul radio broadcast a statement of support for the coup from him, but there were indications he was already under arrest when it was aired.

Kang, commandant of the Korean military academy, reportedly was held because he opposed a parade in support of the coup by his 1,000 cadets. The march was the first public demonstration in support of the revolt.

Destroy Missile Fired This Morning

CAPE CANAVERAL, Fla. (AP) — A Minuteman missile veered off course and was destroyed by the range safety officer today about 90 seconds after it blasted off on its second test flight.

The safety officer pushed the destruct button during second stage flight when instruments on its console indicated it was off course.

The explosion occurred after the rocket had streaked several miles through the sky and was not visible to Cape observers. The third-stage nose cone and pieces of the rocket plunged into the Atlantic.

Amvets' Auxiliary Meeting Is Held

The monthly meeting of the Charles J. Gillian Amvets Auxiliary was held Tuesday evening at the post home near Fairfield with President Faye Baker presiding. Final plans were made for the auxiliary banquet to be held in Fairfield June 17 at 7 p.m., commemorating the fifth anniversary of the auxiliary.

Alice Bushman, Katharine Kint and Faye Baker plan to attend the state executive committee meeting to be held at the Penn-Harris Hotel, Harrisburg, Sunday. Committee chairmen were asked to have reports compiled and mailed to the state chairman in time for the state convention to be held in Reading June 23, 24 and 25. Delegates from the auxiliary planning to attend are President Faye Baker; senior vice president, Katharine Kint; secretary, Alice Bushman; chaplain, Maybelle McClain; PRO, Geraldine Cook; alternates, Ruba Shriver, Susan Mong and Blanche Harris. A donation will be given to the Scotland School majorette fund for presentation at its graduation June 3. Donations will also be given toward the department auxiliary president's membership gift and pin and a pig-in-the-poke gift will be presented at the convention. Mary T. Weikert was administered the auxiliary oath by Faye Baker.

Announcements included a combined drill practice of all members of the Amvets drill team and the Auxiliary marching unit to be held Sunday, May 21, at 1:30 p.m. at the post home and all are urged to be present. The pig-in-the-poke was won by the guest, Viola Cregger.

New Jersey May Drop Murder Case

PHILADELPHIA (AP) — The district attorney's office said here today that New Jersey is preparing to drop murder charges against Lillian Reis in the slaying of Vincent Blaney.

Paul M. Chalfin, first assistant district attorney, said he had been told that Atlantic County, N.J., authorities will not press for extradition of the shapely night club operator at a hearing here next Tuesday.

Chalfin said he accepted this as the first step in quashing the indictment returned against the 31-year-old Miss Reis in the killing of Blaney. Blaney was a co-defendant in the robbery of the home of John B. Rich in Pottsville about two years ago.

Blaney's bullet-riddled body, weighted with chains, was found last summer in the Atlantic Ocean off the New Jersey coast. Police said he was slain to keep him from turning state's evidence in the burglary for which three men already have been convicted.

KATMANDU, Nepal (AP) — Two Japanese climbers and a Nepali guide were buried by an avalanche as their expedition tried to scale 23,750-foot Mt. Langtang, in the central Himalayas, according to a report received here.

Mild Recovery On Stock Mart Today

NEW YORK (AP) — The stock market staged a mild recovery in moderate trading early this afternoon.

The Associated Press average of 60 stocks at noon was up .80 at 252.20 with industrials up 1.20, rails up .20 and utilities up .30.

Selective strength among blue chips moved the popular stock market averages to the upside after an initial period of uncertainty.

DuPont accounted for much of the strength in these market indicators as it advanced 6 points.

Steels, motors, rails, chemicals and utilities were mostly higher while airlines declined and drugs showed a downside edge on balance. Oils and chemicals were mixed.

AWOL SOLDIER ADMITS GUILT IN ABDUCTION

CHICAGO (AP)—An AWOL soldier who abducted a Chicago Heights policeman at gunpoint during a wild chase that ended in a two-vehicle collision near Dyer, Ind., pleaded guilty Thursday to charges of kidnapping, assault to murder and robbery.

The soldier, Walter E. Joseph, 21, of Wilmington, Del., was sentenced to one to 10 years imprisonment for each of the robbery and assault charges and one to five years for kidnapping.

The sentences passed by Judge Leslie E. Salter of Criminal Court will run concurrently. Joseph will be eligible for parole in 11 months.

CRASHES CAR

The policeman, Basil Ziccardi, 27, was forced into his own car at a bank in suburban Chicago Heights on April 3. The officer

was summoned to the bank by suspicious officials after Joseph appeared to cash two checks he had forced a Chicago Heights man to write five days earlier. Joseph forced Ziccardi to drive across the state line into Indiana, where state troopers began pursuit.

Ziccardi then smashed the police car into a pickup truck on U.S. 41 near Dyer.

When troopers arrived Ziccardi and Joseph were struggling for the gun.

Authorities said Joseph was reported absent without leave Jan. 31 from Ft. Campbell, Ky.

200 MILITARY

(Continued From Page 1)

PARIS (AP)—French railway workers returned to work today after a crippling nationwide strike and immediately set to work manning extra trains for big Pentecost weekend crowds. With hardly a hitch, trains began rolling normally again at noon.

The 36-hour strike for higher pay had stalled almost all rail transport in the country. Coupled with strikes by subway, gas and electric workers, the walkout left French tempers frayed to the breaking point.

BANQUET SATURDAY

Saturday afternoon a demonstration of fire power comparing the typical shoulder weapons of the U.S. Army from the Revolution through the Civil War will be presented including the Kentucky Rifle, Revolutionary War musket, rifle-musket, Sharps carbine and Spencer rifle. Each participant will be fully uniformed and equipped for his period.

A banquet will be held Saturday evening at the hotel.

Group leader for the discussion on the "Battle of Gettysburg" Saturday morning will be Col. J. M. Sheads, local history teacher and military historian.

Donald Wagner, Harrisburg, is chairman for the session here. Next year the group is scheduled to meet in Boston.

TO SIGN BILL FOR 73 JUDGES

WASHINGTON (AP)—President Kennedy arranged to sign today a bill creating 73 new federal judgeships, a record number.

He told Congress earlier this year that additional judges were needed to relieve serious congestion and delays in many federal courts.

The bill provides for 63 new district court judges in 32 states and Puerto Rico and 10 new judges for the circuit courts of appeal.

One of the circuit judgeships will go to the third circuit comprising Delaware, New Jersey, Pennsylvania and the Virgin Islands.

Pennsylvania will get six new district judges, two in western Pennsylvania, three in eastern Pennsylvania and one in the middle district. In addition one temporary judgeship in western Pennsylvania will be made permanent.

Federal judges are appointed by the President for life with the approval of the Senate. District judges are paid \$22,500 a year and circuit judges \$25,500 and collect full pay upon retirement.
